# **GOVERNOR STATE UNIVERSITY**

## **CONTENT MANAGEMENT SYSTEM (CMS) TRAINING**

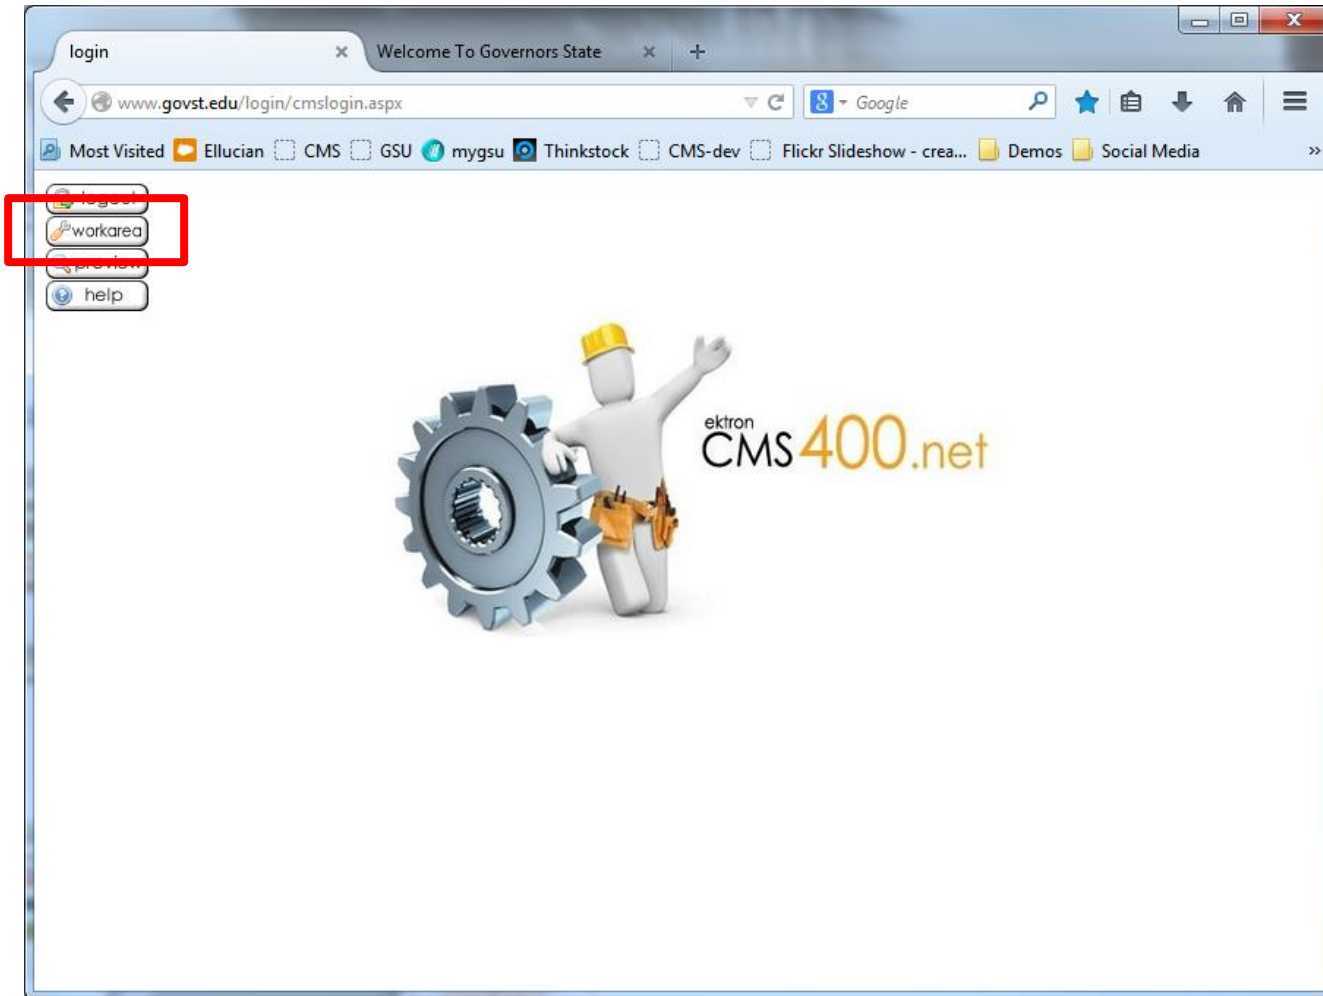

1. Log in to your GSU Account in the computer
2. Open up a browser (preferable Firefox)
3. Type in the URL:  
<http://www.govst.edu/login/cmslogin.aspx>
4. Click on LOGIN
5. Sign in using your GSU account info

The screenshot shows a Mozilla Firefox browser window titled "Login - Mozilla Firefox". The address bar displays the URL "www.govst.edu/WorkArea/login.aspx". The page content features the "ektron" logo at the top. Below the logo, there are three input fields: "User:" with an empty text box, "Pwd:" with an empty text box, and "Domain:" with a dropdown menu showing "govst.edu". At the bottom of the form is a prominent "LOGIN" button.

1. In the CMS window, click on Workarea

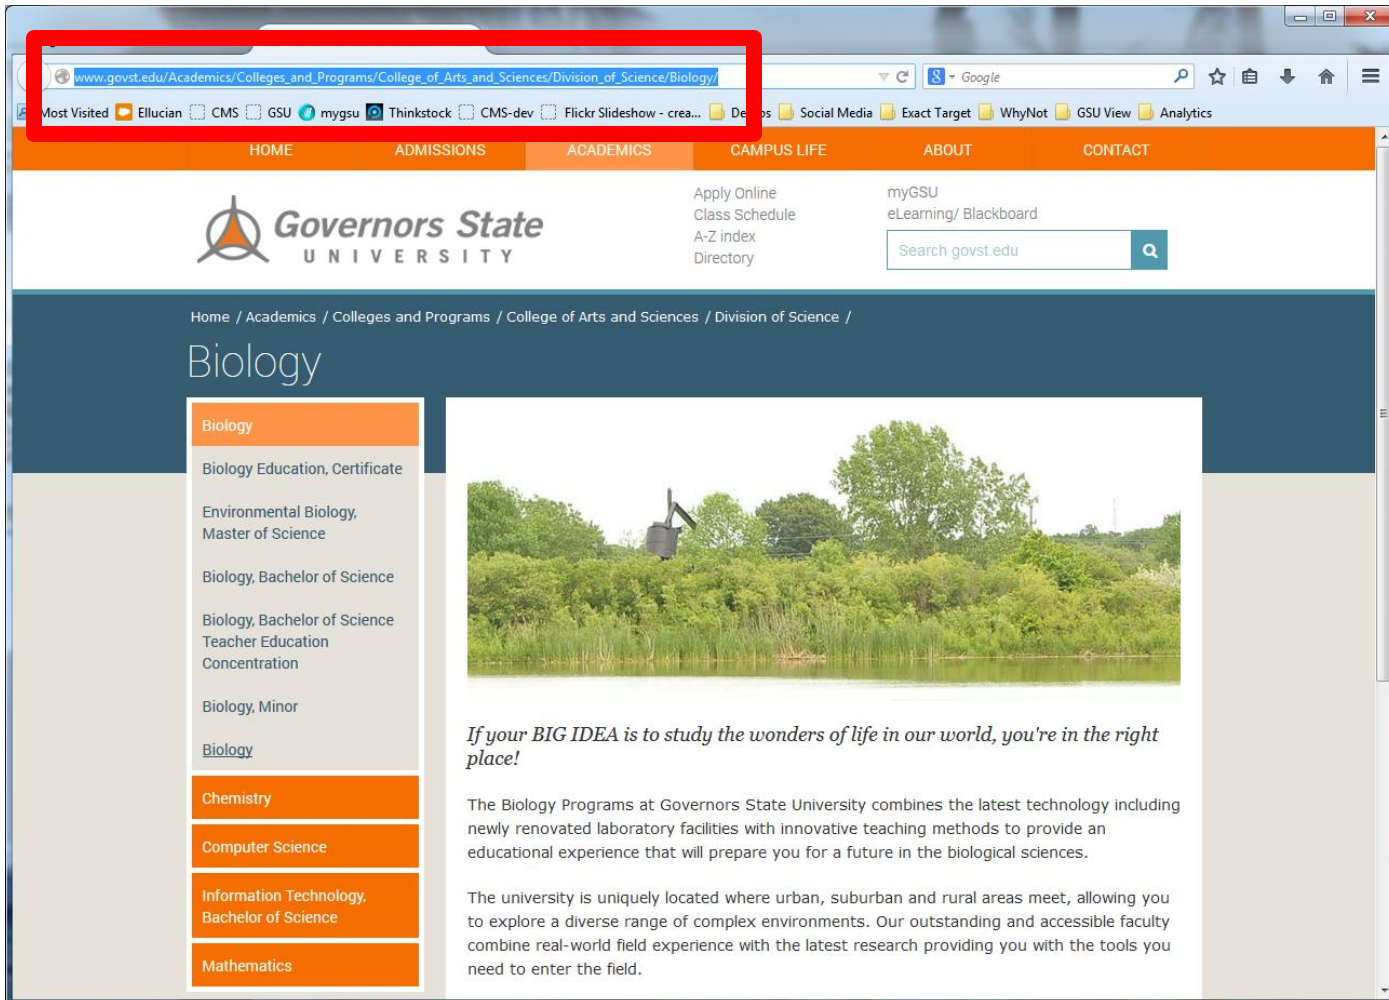

1. Another window will appear. This is your workarea. Click on Content tab to access the webpages on the GSU Website .

The screenshot shows a web application interface for managing content. The top navigation bar includes 'Desktop', 'Content', 'Library', 'Settings', 'Reports', and 'Help'. The 'Content' tab is highlighted with a red box. Below the navigation bar, there is a 'Folders' sidebar on the left and a main content area on the right. The main content area displays a table of content items under the heading 'View Contents of Folder "Root"'. The table has columns for Title, Content Type, Language, ID, Status, Date Modified, Last Editor, Start Date, and End Date. Three items are listed in the table.

Title	Content Type	Language	ID	Status	Date Modified	Last Editor	Start Date	End Date
Celebrate the traditions of Mardi Gras at the Center for Performing Arts	HTML Content		19121	I	3/12/2014 11:41:04 AM	Crooks, Bruce

1. To access your page look at the URL of your webpage:
2. In this example it's  
[/Academics/Colleges\\_and\\_Programs/College\\_of\\_Arts\\_and\\_Sciences/Division\\_of\\_Science/Biology/](http://www.govst.edu/Academics/Colleges_and_Programs/College_of_Arts_and_Sciences/Division_of_Science/Biology/)

The screenshot shows a web browser window displaying the website for Governors State University. The address bar at the top is highlighted with a red box and contains the URL: [www.govst.edu/Academics/Colleges\\_and\\_Programs/College\\_of\\_Arts\\_and\\_Sciences/Division\\_of\\_Science/Biology/](http://www.govst.edu/Academics/Colleges_and_Programs/College_of_Arts_and_Sciences/Division_of_Science/Biology/). The website features a navigation menu with links for HOME, ADMISSIONS, ACADEMICS, CAMPUS LIFE, ABOUT, and CONTACT. The main content area is titled "Biology" and includes a sidebar with a list of programs: Biology Education, Certificate; Environmental Biology, Master of Science; Biology, Bachelor of Science; Biology, Bachelor of Science Teacher Education Concentration; and Biology, Minor. Below the sidebar is a large image of a windmill in a field, followed by the text: "If your BIG IDEA is to study the wonders of life in our world, you're in the right place!" and a paragraph describing the Biology Programs at Governors State University.

1. In the work area look for the corresponding directories (folders). In this example it's:  
**Academics>Colleges\_and\_Programs>College\_of\_Arts\_and\_Sciences (CAS) > Division\_of\_Science >Biology**
2. Click on the page you want to edit in the right column

The screenshot shows a web application interface with a navigation menu on the left and a content table on the right. The navigation menu is titled 'Folders' and contains a tree structure of folders. The 'Biology' folder is highlighted with a red box. The content table is titled 'View Contents of Folder "Biology"' and contains a table of content items. The 'Biology' entry in the table is highlighted with a red box.
